Fees for all non-Barnabas employee attendees: \$100

Cancellations are refundable up to 1 week prior to the course

Please call **201-915-2948** for more information

### **Objectives**

- Identify issues of patient safety and reduce error in the delivery of nursing care to fragile infant
- Evaluate the degree of respiratory distress infant is experiencing
- Identify ways to address physiologic response to hypothermia

### **Purpose:**

To help maternal child healthcare workers to organize the myriad of details and interventions necessary to provide care to a sick and/or premature infant

**Jersey City Medical Center** is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. **P#7698-6/16-18**

*Approved status does not imply endorsement by Jersey City Medical Center, NJSNA, or ANCC of any commercial products or services*
