TARGET AUDIENCE

This program is geared towards Pediatricians, Neonatologists, Nurses and other Health Care Professionals who deliver care to high risk newborns & infants.

OBJECTIVES

Upon completion of the program participants will be able to:

Discuss the focus of current efforts to improve outcomes for the micropremie.

- ✚ Review the components of optimal Delivery Room management for the micropremie.
- ✚ Describe “golden hour” care of the micropremie.
- ✚ Identify strategies that promote parent involvement in their newborn’s NICU care.
- ✚ Discuss the aim and implementation of the ELGAN Project in the NICU.

Review the pathophysiology and management of the cases presented.

- ✚ Recognize the importance of and identify strategies to provide early colostrum oral care for the micropremie.
- ✚ Discuss the clinical presentation and appropriate management of tracheoesophageal anomalies.
- ✚ Discuss the management of newborns requiring therapeutic hypothermia.
- ✚ Review the key physiology concepts necessary to care for newborns with heart disease.

ACCREDITATION

The Newark Beth Israel Medical Center (NBIMC) is accredited by the Medical Society of New Jersey to provide continuing medical education for physicians. NBIMC designates this educational activity for a maximum of **6.25 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Newark Beth Israel Medical Center is an approved provider of continuing education by the New Jersey State Nurses Association, an approver and provider of continuing education in nursing by the American Nurses Credentialing Center’s Commission on Accreditation. This activity has been approved for **6.25 Contact Hours**.

Accreditation refers to recognition of continuing education activities only and does not imply approval or endorsement of any commercial product.

This program is sponsored solely by Children’s Hospital of New Jersey at NBIMC. No commercial support has been received. The speakers and planners for this program have no vested interest in the content of this educational activity and have agreed that the program will be presented free of bias.
