

Essex Metro Immunization Coalition

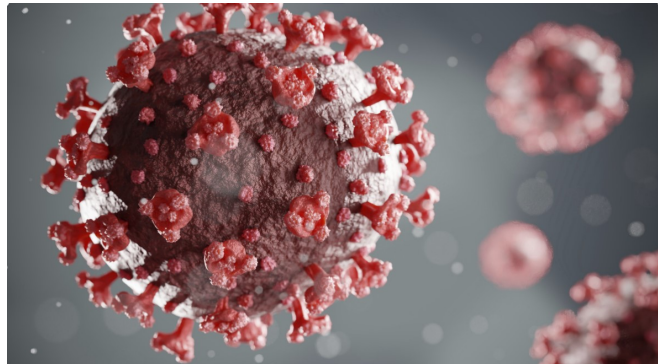

Meeting Reminder

**Essex Metro Immunization Coalition Quarterly Meeting:
Twin Pandemics: Understanding COVID-19 Through the Lens of Health
Equity**

**Wednesday, March 17, 2021
2:00 PM-3:30 PM**

Join the Essex Metro Immunization Coalition featured speakers **Chris T. Pernel, MD, Chief Strategic Integration and Health Equity Officer at University Hospital in Newark,** and **Meg Fisher MD, Special**

Advisor to the Commissioner of Health at the NJ Department of Health and Medical Director of Clinical and Academic Excellence at Monmouth Medical Center. This dynamic duo will discuss how the pandemic illustrates the grave inequities in our healthcare system, the COVID-19 vaccine in children and adults, and the pandemic's effect on routine childhood immunization delivery.

This meeting is open to non-members. Continuing education credits will not be offered.
