

The Intersection of Interpersonal Violence and Health: Critical Considerations

Provided by the Partnership for Maternal and Child Health of Northern New Jersey

Date: November 3rd, 2021

Time: 1:00 – 2:00 pm

Presenter

Linda Sloan Locke, CNM, MPH, LSW, FACNM

Linda Sloan Locke brings a multidimensional background in social work, midwifery, public health, and nursing with a commitment to working with populations who have been historically underserved and marginalized to her direct service and consulting roles. With an expertise in serving women, adolescents, and birthing people in a variety of settings, Ms. Locke focuses her work on the intersection of health and mental health, perinatal and adolescent mood disorders, social and reproductive justice and intimate partner violence/sexual violence.

Target Audience

Perinatal, Emergency, and Community-Health Nurses, Advanced Practice Nurses, Social Workers, Doulas, and Lactation Support Professionals

Learning Outcome

At the conclusion of the program, the participants will self-report knowledge gain related to how interpersonal violence affects health and intent to change practice by including components of trauma-informed care into professional practice.

Disclosure/Commercial Support

The planners and speaker do not have any conflicts of interest to report for this activity. There is no commercial support for this activity.
